Other (Specify)

Description of the organisation
 Scholastic Institute of the First Cycle; include scuola dell'Infanzia, scuola Primaria and scuola Secondaria di Primo Grado

Experience and Expertise of the organization in the project's subject area
 Inclusion of students with diverse skills and special educational specialties of one type

Contributions that can be provided to the project

Teacher training, to spread awareness of empathy and emotional intelligence in the teaching relationship. Implement inclusive teaching strategies, which put the student at the centre, with his or her own peculiarities.

Reasons of involvement in the project

Interest in the development of emotional intelligence in the context of the teaching relationship, to improve well-being at school and make the educational path of each pupil more effective.

Contact Person's Experience and Expertise

Teresangela Adamo has been teaching in secondary schools since 2017 and since 2020 she has been the contact person for SEN students and the instrumental inclusion function. You obtained the qualification to teach the discipline "Technology" and later acquired the title of specialization in "support" at the University of Calabria. As a teacher and inclusion representative, my fields of experience are: inclusive, personalized and individualized methodologies and strategies, reception of foreign and SEN students, training and coordination of all activities concerning SEN students (L.104, L.170 and similar).

She holds a degree in EU Architecture from the University of Rome, and is registered with the Order of Architects, Planners, Landscape Architects and Conservators of Florence, Section A.
